

Application form for limited liability partnerships

COUTTS ONLINE

Coutts

1. Client details

Complete the business name that Coutts Online will operate under together with the address, postcode and country details.

2. Accounts to be added

List the account names and numbers of all of the Partnership accounts that are to be reported on the online service. These accounts must belong to the legal entity as named above, although accounts belonging to a different legal entity (third party accounts) can be added by completing a Third Party Application Form. If you wish to add more accounts then a continuation form can be found on our website coutts.com or requested from your Banker.

All transactional charges will be charged to the account that the payments were made from. Should you wish for an alternative charging arrangement to be put in place please speak to your Banker. A copy of the fee tariff can be found on our website or requested from your Banker.

3. Coutts Online administrator details

The administration role is essential for the smooth running of Coutts Online. Details for at least one administrator must be completed, but we recommend that you complete the details for more. We strongly recommend that dual administration is selected and that you complete the details for at least three administrators.

Select a username for the administrator; this must be between six and ten characters and include at least one number.

Dual administration is strongly recommended as it is a security measure which requires the approval of two administrators for all changes made to users' approval limits or increases to their access rights. Dual administration is set individually for each administrator, so please indicate here whether this administrator can act independently (answer No) or together with another administrator (answer Yes).

Complete the administrator's title, name, email address and phone number.

The audit facility allows the user to search the Coutts Online database for their audit records. If the user should have access to this information then select 'Yes', if not then select 'No'.

If an administrator has a smartphone, they can use this as their personal security device, known as CouttsID, instead of a card and reader.

Please provide their preferred email address and mobile number if you would like to do this.

Please note: CouttsID will automatically provide access to Coutts Mobile Banking.

4. Limited Liability Partnership (LLP) Resolution

Complete the full name of the LLP and insert the date when the resolution was passed and enter the names of the individuals who were nominated at this meeting to sign the Coutts Online Application Form. These individuals must already be named on the current bank mandate and will be required to sign Section 7 of the application form.

5. Declaration

The signatures entered here must be of the Chairman of the Meeting and a designated member (who must be different individuals) to confirm that the resolution in Section 4 was duly passed and entered in the Minute Book of the LLP.

7. Agreement (to be signed in accordance with the resolution in Section 4)

Copies of the Online Service Terms are available at coutts.com/online/terms or from your Banker.

We would draw your attention to clause 1, paragraph C. (Appointment of User(s) and Administrator(s)), which outlines the responsibilities of the administrator and in particular the ability to allocate access to the account(s) to other users. The signature(s) required here are those of the individuals that have already been named in Section 4, and are already on the current bank mandate.
